Welcome to the Massachusetts Internship Site!

Are you a college student looking for an internship?

Are you an employer seeking interns to join your team?

The Commonwealth of Massachusetts has partnered with Experience, a local company, to offer college students a state-wide internship search engine. Through this program, students can upload their resume and easily apply for internships in just a few clicks. Businesses can not only post opportunities, but peruse posted resumes to find great candidates.

[Create an account today](#) and join the thousands of students who have found internships.

Description & Details

Location:
Boston, Massachusetts

Job Function:
Not Specified

Description:
Job Description

Provide analytical support to the First Vice President in his role as Vice Chairman of the Conference of First Vice Presidents and in his role as Product Director of the Financial Support Office (FSO).

This will require analysis of financial and budget data for the Federal Reserve System as well as development and delivery of related presentations for executive audiences.

In addition, assist Human Resources with researching best practices for management reporting on topics such as recruiting, diversity, compensation, development, and organizational effectiveness. Develop options for reports that include statistical and data analysis. Present recommendations to management and assist in developing reports.
