New England Community Development Advisory Council Meeting

Roundtable Discussion

1. **Overall Economic Conditions (Non-Lending):** What are your assessments of the overall economic conditions affecting low- and moderate-income (LMI) communities in your state/region? Have there been recent policies, investments, or disinvestments that have disproportionately affected LMI families in your state?
2. **Current Lending Conditions:** What are your views on the current conditions of, and the outlook for, loan markets and financial markets? Please describe any significant changes since the last meeting on the overall availability or terms of credit in the following areas, focusing on the impact to LMI consumers and communities: multifamily, affordable housing, home mortgage lending, small business and consumer lending; home prices and rental markets.
3. **Labor Markets and Employment Conditions:** How have the labor markets changed since the last meeting? In particular, assess the degree of job loss or gain (how much and in which industries). Have you observed changes in wages in your state/region?
 - a) What are the most promising policies and practices in your state that promote, incentivize or enable the creation and preservation of quality jobs?
4. **Additional Matters:** Have any other matters affecting low-income individuals and communities emerged from the work of the Council members that they want to present at this time?
