  - **Signatories**: The Lender Registration Certifications and Covenants must be signed and delivered, on behalf of the Eligible Lender, by its principal executive officer and principal financial officer (or individuals performing similar functions).

- **Lender Wire Instructions Direction**
  - **Description**: In the Lender Wire Instructions Direction, the Eligible Lender provides wire instructions for the bank account into which MS Facilities LLC (the "SPV") will transfer the purchase price and any other payments in respect of the Main Street SPV’s purchase of a participation from the Eligible Lender in each loan that is consistent with Program requirements.
  - **Signatories**: The Lender Wire Instructions Direction must be signed and delivered, on behalf of the Eligible Lender by a duly authorized employee or officer of the Eligible Lender.

Transaction Specific Required Documentation

For each transaction under the MSNLF, the MSPLF, or the MSELF, an Eligible Lender is required to submit the following documents to the Main Street SPV:

- **Participation Agreement under the Main Street Program Transaction Specific Terms**
  - **Description**: The Participation Agreement under the Main Street Program Transaction Specific Terms (the “Participation Agreement Transaction Specific Terms”), which incorporates the Participation Agreement Under the Main Street Program Standard Terms and Conditions (the “Participation Agreement Standard Terms and Conditions”) as published on the FRB Boston Website, serves as the agreement under which the Main Street SPV purchases a participation in an eligible loan. Eligible Lenders must complete, sign, and submit the Participation Agreement Transaction Specific Terms to the Main Street SPV, but do not need to separately sign or submit the Participation Agreement Standard Term and Conditions.
  - **Completion Instructions**: The Eligible Lender should complete the Participation Agreement Transaction Specific Terms as follows:
    - **Agreement Date**: The Eligible Lender should leave this field blank; the Main Street SPV will insert the Agreement Date when it countersigns the Participation Agreement Transaction Specific Terms following a determination that the loan is consistent with Program requirements.
    - **Seller**: The Eligible Lender should complete this field with its legal name.
    - **Credit Agreement**: The Eligible Lender should complete this field with a description of the Credit Agreement for the loan (e.g., title of the agreement, date, relevant parties).

Such amount should be the Participated Percentage (95% for MSNLF and MSELF and 85% for MSPLF) multiplied by the Aggregate Tranche Amount, described below.

- **Aggregate Tranche Amount**: The Eligible Lender should complete this field with the aggregate principal amount of the loan, including both the portion being participated to the Main Street SPV and the portion being retained by the Eligible Lender.

- **Tranche**: The Eligible Lender should complete this field with the term used to refer to the loan in the Credit Agreement (e.g., “Term Loans,” “Loans,” “Advances”).

Eligible Lender should check “No,” if the Credit Agreement contains such customary syndicated loan facility provisions.

- **Agent**: The Eligible Lender should complete this field with (i) if a Bilateral Facility, the name of the Eligible Lender, since the Eligible Lender will serve as Administrative Agent under the Co-Lender Agreement and (ii) if not a Bilateral Facility, the name of the Administrative Agent under the Credit Agreement.

    - the [Main Street Expanded Loan Facility Borrower Certifications and Covenants](#).

  - **Description**: The Eligible Borrower should complete the form for the appropriate Main Street Facility. The Borrower Certifications and Covenants require the Eligible Borrower to make required certifications and agree to be bound by required covenants, relating to Section 13(3) of the Federal Reserve Act, the CARES Act, the Board’s Regulation A, and the MSNLF, MSELF, or MSPLF term sheet, as applicable. The Eligible Lender is an express beneficiary of the Borrower Certifications and Covenants. Eligible Lenders must submit the Borrower Certifications and Covenants, signed by the Borrower, with the rest of the Transaction Specific Required Documents.

  - **Completion Instructions**: The Borrower Certifications and Covenants are preceded by Instructions to provide the Borrower with guidance.
- **Signatories**: The Borrower Certifications and Covenants for the applicable Main Street Facility must be signed and delivered, on behalf of the Eligible Borrower, by its principal executive officer and principal financial officer (or individuals performing similar functions). The Assignment Executed in Blank is intended to be used by the Main Street SPV to elevate its participation or to elevate and transfer its participation only in the limited circumstances of a Specified Permitted Transfer (as defined in the Participation Agreement), where so permitted. In order to facilitate such Specified Permitted Transfers, the Assignment in Blank serves as advance consent by the Eligible Lender and the Eligible Borrower to any such transfer.
  - **Completion Instructions**:
    - For Bilateral Facilities, the Eligible Lender should utilize the form provided and follow the detailed Instructions and Guidance that precedes the form.
    - For facilities that contain customary syndicated loan facility provisions, including agency, assignment, voting, sharing and other multi-lender provisions (a “Syndicated Form Facility”), the Eligible Lender should follow the instructions provided under the heading “Syndicated Facility” in the detailed Instructions and Guidance that precedes the form, which will entail using an Assignment and Acceptance form under the existing Credit Agreement, rather than using the form Assignment Executed in Blank provided at the link above.
