

Community Depository Institution Advisory Council

CDIAC offers a community institution perspective on the economy, credit conditions, regulatory policies, and payments. The members of the First District Community Depository Institution Advisory Council (CDIAC) bring information from their local communities to the Federal Reserve Bank of Boston. The 12 members represent commercial banks, thrifts, and credit unions with assets of less than \$10 billion. The CDIACs of the Federal Reserve Board and the 12 Reserve Banks were established by the Dodd-Frank Wall Street Reform and Consumer Protection Act.
